Technology and Bachelor of Library and Information Sciences (BLIS) & Master of Library and Information Sciences (MLIS) under the faculty of Applied Science.

In addition to that the following programs are running in the university campus such as –

Homoeopathy- BHMS & MD, Dental Science- BDS & MDS, B.Sc. (Medical) in Microbiology, Biochemistry, Pharmacology, Pathology, Physiology, Anatomy & M.Sc.(Medical) in Anatomy, Physiology, Microbiology, Biochemistry, Medical Lab Technology, Pharmacology, Pharmacy- D. Pharm & B. Pharm, Applied Science- B.Sc. MLT, Education- B.Ed. & D.El.Ed., Nursing- B.Sc. Nursing, ANM, GNM, and Paramedical programs.

Industrial Training Institute (ITI) has also started different branches for the enhancement of skilled training and to provide employment generation schemes.

The university is committed to shoulder social and government responsibilities. Fee concessions are given to the ward of disabled/martyr (police, army, CRPF, defense, Paramilitary forces). Concessions in fee are also given to students excelling in sports, physically challenged students and ward of university employees. Diligent University Vice-Chancellor Honorable Prof. (Dr.) M.K. Singh is passionately committed to the social responsibility of uplifting the ethnic Adivasi; the Sabar people of Jharkhand who have for centuries suffered social stigma and ostracism. Under his vision, a pioneering effort has been made to motivate Sabar female education and mainstreaming by encouraging their admission and giving them free university education. The government of Jharkhand is also taking meaningful steps to uplift, educate, and mainstream the Sabar Adivasi.

The university boasts an enthusiastic team of dedicated faculty members, each with a rich array of academic interests. Supported by a highly efficient and capable staff, the institution is future-ready and prepared to take on challenges and responsibilities. Together, they work tirelessly to uphold and advance the university's motto, vision, and mission.

1. Objectives of this AGREEMENT:

IDTR and BDSU agree to share each other's components and proficiency into synergy that would create an end result far outweighing what each individual could achieve.

- a) To exchange information on Technology, Research, and Education programs.
- b) To exchange information literature relevant to Technology, Research and Educational program.
