They work closely with our students to provide individualized support and guidance and they encourage students to engage in meaningful discussions, explore diverse perspectives, and develop their own unique ideas and insights.

YOUR FUTURE START HERE

MESSAGE FROM THE CHANCELLOR'S DESK WORDS OF WISDOM

“Education is for improving the lives of others and for leaving your community and world better than you found it.”

It is my proud privilege to welcome you to the BABU DINESH SINGH UNIVERSITY. Our university stands as a beacon of higher education, a place where knowledge is cultivated, and where dreams and aspirations find wings.

I am happy to note that the placement record of our students has been steadily improving over the years in more and more reputed companies, hospitals, research organizations, IT industry recruiting through our Placement Office. Students who excel in their studies and who perform well in the selection process, can certainly look forward to a rewarding career.

On the academic front, so much has shifted in the last two academic years and our faculty members have put in their best efforts to acclimatize to a new way of imparting education, though many challenges posed by the pandemic remain. Above all, the pandemic has spotlighted the need for offering a consistent learning environment of onsite and online mode of teaching and a blended learning environment is vital for driving an inclusive student experience, allowing students to access knowledge and skill in a way that works best for them around their individual needs. I record my appreciation for the faculty members have adopted successfully to the changing needs most admirably.

Our research programs range across all disciplines with total commitment to achieve the goals set forth. As I look to the future, one thing is certain - technology and knowledge will be key resources, most sought after within the country and around the world. Hence, it is our paramount duty to help generate ideas that will benefit society, and to educate and train students to work in their respective fields where they will be valued for their specialized knowledge.

Our acumen to research, communicate and solve issues, to improved upon from time to time. To meet these challenges, alliances with research institutions, partnership with Government and other agencies. We should leave no stone unturned to ensure the quality of our academic programs and excellence of our teaching, learning and research.

As Chancellor, I am excited about the future, and I am confident that our university will continue to excel in the pursuit of knowledge, the advancement of society, and in turn for the betterment of the nation. You would certainly find it rewarding as you journey along with us into the realms of higher education

I invite you to explore our website, learn about our programs, research initiatives, and vibrant campus life. My message to the faculty is that together, we can create a brighter tomorrow.

Also on behalf of Vananchal Educational and Welfare Trust, we are closely associated with the welfare of needy/deprived people of this locality and provide our best possible support free of cost like mass wedding distribution of blankets, medical assistance, etc. time to time.

My best wishes to you all.
Mr. Dinesh Prasad Singh
Hon'ble Chancellor

COME, LEARN WITH THE BEST

MESSAGE FROM THE PRO-CHANCELLOR'S DESK

Knowledge is Power. Babu Dinesh Singh University has made several achievements in its pursuit for excellence, in education and creating a society that is humane, inclusive and sustainable, from inception. Our highly inspired and motivated faculty members and their involvement in academic and research activities is keeping the university in the trajectory of success. I am confident that our faculty will be able to quickly respond to the changes happening in the teaching environment and successfully transform themselves to the digitalized environment.

I have always regarded the University as a place where we constantly engage ourselves in helping our children to realize their dreams. We also seek total involvement of Parents in giving care and love to their children which form the core for building values of truthfulness and honesty. We desire our children should passionately engage themselves to pursue these goals.

A happy childhood, a virile adulthood is what we constantly seek from the students. Full of energy always cheerful they should pursue achieving excellence in their pursuits. Our future is full of challengers and we should be prepared to face them with the determination to succeed. With the clear vision and the able leadership of our management, we will be a benchmark for other education institutions in the country. Let us own to its agility, university of choice for students across the world and we are moving positively toward this objective.

Mr. Pawan Kumar
Hon'ble Pro-Chancellor

OUR COMMITMENT

We want
BABU DINESH SINGH UNIVERSITY
to be the dream of every youth who
wants to make the world a better place.

MESSAGE FROM THE VICE-CHANCELLOR'S DESK

Prof. (Dr.) M. K. Singh
Hon'ble Vice-Chancellor

It is a great privilege and honour to be part of the mission to make Babu Dinesh Singh University a name to reckon with in the academic fraternity by providing a strong impetus toward creating an environment of knowledge. I believe that the rigours of the contemporary world demand knowledgeable professionals who can withstand the dynamics of a fast-changing global landscape. Over the last three years, the University has achieved remarkable academic growth with the introduction of several new academic programmes. These include Pharmacy, Medical Laboratory Sciences, Law, Management, PG M.L.T., Engineering, as well as various Diploma, Undergraduate, and Postgraduate programmes across diverse disciplines. In addition, several important programmes are in the pipeline, such as MBBS, Agriculture, Diploma in Industrial Safety & Fire Management, Advanced Diploma in Industrial Safety, and other career-oriented courses, reflecting the University's strong commitment to academic excellence.

Hence, "Making a Difference in the Life of Every Student" remains the priority of my administration. We look forward to deep engagement with students, industry, faculty, and the community to position Babu Dinesh Singh University as a national leader in delivering value to its students and offering a truly transformative educational and life experience.

Our office works collaboratively across the University's constituent and affiliated colleges to ensure that every student receives the best possible education and overall experience. In this journey, there will be challenging times as well as easier ones, but we shall work diligently, without regrets, and emerge victorious.

The University faculty are here to serve as mentors and facilitators, supporting students in their all-round development. Parents play a vital role in understanding the strengths and weaknesses of their wards and encouraging them to pursue studies aligned with their passions. Students, in turn, must understand that the rules and regulations of the University are designed to help them achieve their dreams.

There must be an aspiration to excel and serve society; therefore, clear standards and measurable benchmarks are essential. Together, as faculty and students of the University, we must strive to excel, set high standards, and create a meaningful impact on society and future generations.

Let us move forward with a clear plan of action to excel in academics, strengthen our research initiatives through quality publications, enhance industry-institute interaction, promote product development and start-up ventures, and contribute honestly to the upliftment and growth of society and humanity at large. Our challenge is to generate ideas that benefit society and to educate and train individuals to work in fields where they are valued not only for their knowledge but also for their ability to research, communicate, and solve complex problems.

I extend my best wishes to all students, faculty, and staff for continued growth and excellence in this challenging and competitive era, and for reaching the pinnacle of success. We are also committed to strengthening institutional social responsibility & sustainability, serving as a responsible and engaged social partner.

MESSAGE FROM THE REGISTRAR'S DESK

Dr. GOKUL ACHARJEE
Registrar

Welcome to Babu Dinesh Singh University. An exciting, dynamic environment where ambitions, aspirations and the zeal of intellectual exploration come together. An Institute where we prepare students to see and reach beyond horizons. It is our unflinching belief that enriching the minds and nourishing the souls of students is an integral part of education in order to ensure their academic, intellectual and spiritual evolution. Here it is believed that the most significant educational task assigned is to maximize the intellectual development of students in an atmosphere that recognizes and nurtures the uniqueness of the individual.

MESSAGE FROM THE COE'S DESK

It gives me great pleasure to extend a warm welcome to all prospective students of Babu Dinesh Singh University (BDSU).

The examination system of the University is designed to uphold the highest standards of fairness, transparency, and academic integrity. We strive to ensure that evaluation processes are systematic, timely, and aligned with the academic objectives of the University, thereby enabling students to demonstrate their true potential and academic growth.

At BDSU, continuous efforts are made to adopt modern examination practices, streamline procedures, and maintain accuracy in assessment and result processing. The Examination Department works in close coordination with academic departments to ensure smooth conduct of examinations and prompt declaration of results, while strictly adhering to the regulations of the University and respective regulating authorities.

I encourage students to familiarize themselves with the examination rules and regulations outlined in this prospectus and to approach their academic journey with sincerity, discipline, and dedication. The University remains committed to providing a supportive academic environment that nurtures learning, innovation, and excellence.

I wish all students a rewarding and successful academic experience at Babu Dinesh Singh University. Best wishes,

Dr. Lalan Kumar
Controller of Examinations

MESSAGE FROM THE CEO'S DESK

BDSU, a renowned name in the realm of education has taken giant strides in its progress. BDSU, has been established with an object of imbibing academic excellence, upholding and maintaining ethical values. It will enrich knowledge, skills, attitude and self belief, so as to enable students to be successful in their future endeavor. I welcome student fraternity to experience educational ambience at BDSU, Jharkhand.

The University with its state of the art infrastructure and modern support facilities will impart high quality learning. We are committed to bring out the best in our students and help them not only to succeed in their studies but also to nurture the values that build strong confidence and character and produce market oriented, industry driven and employable youths.

University in Jharkhand

DISCOVER

who you really are

You'll end up knowing your subject inside out, but you'll discover much more. You'll learn about truthfulness and human relationships. You'll gain a deeper understanding of who you are, what you deserve and what you want to do in life.

Meet new people, become old friends

With students from different states and nations live and share the unforgettable experience on the campus

INFRASTRUCTURE FACILITIES

CLASSROOMS : The classrooms, lecture halls and tutor rooms at BDSU are fully furnished with state-of-the-art technology to be at par with the standards set by the world's best institutes. The Teaching-Learning pedagogy used in the classrooms is IT enabled and all classrooms are equipped with a standard array of presentation equipment that provides our faculty with the best multimedia tools for their instructional needs.

LIBRARY : Our library is the central hub of the university, well-equipped to support and facilitate teaching, learning and research programmes of the Institute. All subjects related to the University academic and research programmes have been included in the collection. The library is also developing a core collection of media resources comprising of documentaries, training films, fiction, music, etc.

ATM FACILITIES : There is a SBI ATM right within our campus premises. This strategic placement ensures that students can swiftly access essential banking services without the need to venture off-campus. Whether it's withdrawing cash for daily expenses, checking balances, or conducting other banking transactions, the SBI ATM offers unparalleled convenience.

ACCOMMODATION : The university is equipped with fully furnished separate hostel facilities for boys and girls. The hostels are specially designed with two primary objectives of safety and comfort. It has round-the-clock security, with stringent security procedures and comfortable apartments that our students enjoy living. The university is self-contained with amenities such as a reading room, an indoor games room, a lounge and a dining hall with mess.

TRANSPORT FACILITY

BDSU University provides transport facility to its day scholars on nominal charges through its self-owned comfortable buses. The buses ply on different routes of the Garhwa to pick and drop the students from various areas.

SPORTS

University has developed playground arenas which include Table Tennis Club, Cricket Club, Football Club, Basketball Club, Athletics Club, Volleyball Club, Badminton Club, Chess Club, Carrom Club etc.

CCTV CAMERA

The university has 100+ CCTVs installed at strategic places on the Campus. CCTV cameras help to identify and capture any intruder which can pose any threat to the safety of the students and staff. They also help in invigilating the whole campus for disciplinary check.

AUDITORIUM

The University has well equipped auditorium for the purpose of Conferences, Seminars and Presentations with adequate and comfortable seating capacity.

Wi-Fi ENABLED CAMPUS : We have Wi-Fi enabled campus, on which a Information Management System(IMS) is made available, which can facilitate students to discuss academic topics, submit their assignments online, see their class notes, study through specially designed learning resources.

SECURITY : The university shows utmost concern for providing its staff and students a safe place. Its security is outsourced to private security services.

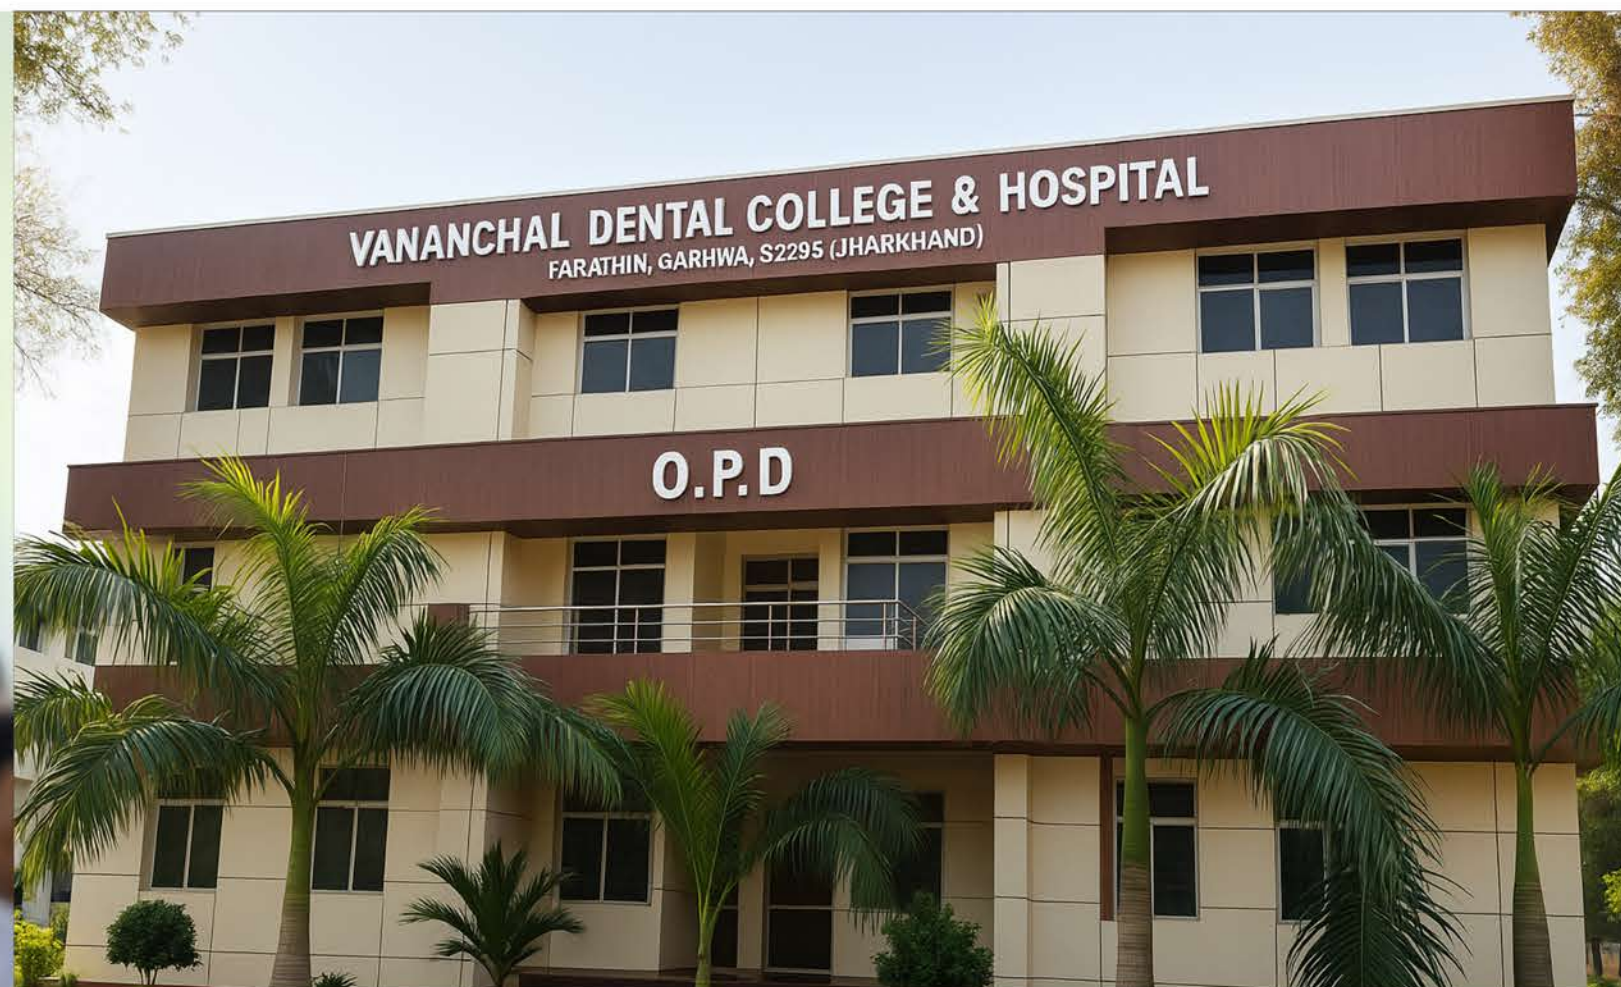

MEDICAL FACILITY : Babu Dinesh Singh University has well equipped functional infirmary which caters for the First Aid and limited out patient medical services.

COMPUTER CENTER : The University is well equipped with fully air conditioned Computer Labs with high-speed Wi-Fi facility.

MCA

FACULTY OF APPLIED SCIENCE

The Department offers Bachelor's and Master's in Library & Information Science programs. The programs are based on the practices and underlying theories of information acquisition, organization, dissemination, and utilization. On completion of the courses, the students demonstrate the values, attitudes, and behaviors associated with the roles and responsibilities of information and library professionals following market-oriented employment. The mission is not simply to ensure that each student gains adequate employment, but to prepare graduates to assume responsible positions in libraries and information centers. Faculty is expected, through their instructional, research, and service activities, to contribute tangibly to the development of the knowledge base that makes Library and Information Science a discipline as well as a profession. Our mission is in line with the mission of the university and aims to make it a better place for teaching and learning.

FACULTY OF LAW

Our programs are designed to provide students with a strong foundation in constitutional law, criminal justice, corporate law, international law, human rights, and emerging areas of legal practice. We combine deep theoretical insights with rigorous practical training, ensuring that our graduates are well-prepared to navigate the complexities of the legal profession.

At the School of Law, students learn from distinguished faculty members who bring extensive academic expertise and real-world legal experience. The curriculum emphasizes case-based learning, moot court competitions, internships, legal research, and advocacy projects, allowing students to develop critical thinking, analytical reasoning, and persuasive communication skills.

With access to a well-equipped law library, digital legal research platforms, legal aid clinics, and industry partnerships, students gain valuable exposure to the realities of contemporary legal practice. Our goal is to nurture legal professionals with a strong sense of ethics, a passion for justice, and the ability to drive meaningful change in society.

Join us at the School of Law and embark on a transformative journey toward a fulfilling career in the dynamic and impactful field of law!

Courses Offered

Department of Law offering LL.B., BBA LL.B. (Hons), BA LL.B. (Hons), programmes. The college focuses on fostering learning, discovery, research, and a deep understanding of the legal system and the litigation process in India. The curriculum combines theoretical course work with practical experiences such as live projects, skill-based certifications, interactive sessions, classroom presentations, and internships to help students develop critical, analytical, and strategic thinking skills. The academics includes a variety of activities, such as Moot Court sessions, Model United Nations, and Model Parliamentary Debates, which provide an exciting and immersive learning experience for students.

FACULTY OF AGRICULTURAL SCIENCE & FORESTRY

Faculty of Agriculture Science & Forestry focuses on the holistic and overall development of students. Here, highly qualified and experienced faculty members share their knowledge with the students and use advanced learning methodology to enhance the learning experience of students. An excellent resource for those interested in Agriculture, Forestry, Agri-business and Natural resources.

Forestry is a study program where candidates need to work with some of the concepts, fundamental facts, and implementation of various ideas to the system. The aim is to ensure that the expansion of the area of the forest can be done along with the number of resources that are coming from the forest that do not get decreased.

Forestry is the science of planting, managing, maintaining as well as conserving forests and their related resources. The professional who practices forestry is known as a forester. A forester is involved in many activities such as protection of natural resources, ecological restoration, timber harvesting, etc. A forester also develops forest management plans, selects sites for growing new trees, and plans and supervises forestry projects.
